

# Free, Don't Say You Love Me

You say you needed someone  
But you just needed somewhere to stay  
Oh any other time  
Any other time  
I'd have told you to be right on your way  
You say you needed a friend  
But you just needed sympathy  
Oh any other time  
Any other time  
I'd have told you just to let me be  
But I was so alone  
So alone.

Don't say you love me baby  
Don't say you love me  
Don't say you love me  
'cause I know it would be just a lie.

I lost the warmth in my life  
And you came and helped me up  
When I was down  
Oh any other time  
Any other time  
I'd have let you carry on  
Fooling around  
I let you into my home  
And I even let you into my heart  
Oh but any other time  
Any other time  
I'd have let you carry on  
From the very start  
But I was so sad and blue  
And I just didn't know what to do

Don't say you love me baby  
Don't say you love me  
Don't say you love me  
'cause I know it would be just a lie.

Time  
Has told me what I need to know  
Time  
Has showed me now what love is for  
Time  
Keeps telling me that I have got to go  
Yeah I needed someone  
But that time's gone  
Now baby I'm gonna try and do it  
All on my own.

So don't say you love me  
Don't say you love me  
Don't say you love me  
'cause I know it would be just a lie.

Don't say you love me baby  
Don't say you love me  
Oh don't say that you love me  
'cause I know it would be just a lie  
I don't want you to tell me that you love me  
Because I know, because I know  
Yeah I know, yes I know  
I know that it would be just a lie
