

# Free, Woman

Carry me away  
I know your angel eyes  
Can see through me  
Carry me away  
Far away from the love you give  
So generously, so generously.  
Woman oh! Oh!

I've got a burning heart  
I need to tell you  
That it's you I love  
I got a burning heart  
I need to tell you that  
I never get enough  
Never, never, never  
Never get enough.  
Woman oh! Oh!

Marry me today  
I'll give you all I own  
Except my car  
Marry me today baby  
I'll give you everything  
But my guitar  
But my guitar and my car  
Woman oh! Oh!

Let me hold your tongue  
For I know you'll understand  
The way I feel,  
Baby I know you'll understand  
That all I want to do  
Is take your hand  
I don't mean to do no harm Baby  
I just want to be your man  
Oh! I just want to be your man Baby

Hey I want to be, I want to be,  
Hey, woman I'll be your man  
Woman, I'll be your man
