

# Freedom Call, Turn Back Time

A song of sadness, rhymes of pain..  
The sounds of my tragedy out in the rain.  
Oh, oh, oh oh.. Out in the rain..  
I made my way and left you alone.  
I have denied that you to be on my own.  
Oh oh, oh oh, to be on my own.

While the years are passing by,  
The flame is still burning inside!  
I still remember when you and I..  
Our love, it will never die..

If I could turn back time..  
Ease my desire..  
I'll always remember,  
The sadness I've seen in your eyes.

I call for the master,  
I'm calling his name!  
Mysterious laughter,  
Tortures my brain.  
Oh oh, oh oh, it tortures my brain.  
Stories of sadness, stories of pain  
I'm telling my tales to the wind and the rain.  
Oh oh, oh oh, to the wind and the rain.

All the dreams I had in my mind,  
Was doing whatever I like..  
I still remember when you and I..  
Our love, it will never die.

Turn back time..  
Ease my desire..  
I always remember,  
The sadness I've seen in your eyes.  
If I could turn back the time..  
Relieve my desire..  
It hurts me forever,  
That I lost the love of my life!

Turn back time..  
Ease my desire..  
I'll always remember,  
The sadness I've seen in your eyes.  
If I could turn back the time..  
Relieve my desire..  
It hurts me forever,  
That I lost the love of my life..

If I could turn back the time..  
Relieve my desire..  
It hurts me forever,  
That I lost the love of my life..
