## Freestyle, Don't Stop The Rock

There's a party in the house and we'll be rockin' tonight So bring your body with you baby and I'll make you feel right It's a freaky celebration of a natural kind And the pleasure you'll experience will blow your mind Chorus: Freestyle's kickin' in the house tonight Move your body from left to right To all you freaks, don't stop the rock That's freestyle speakin' and you know I'm right Chorus Everybody will be dancing to the beat on the floor You will encounter situations never thought of before Satisfaction's guaranteed if you know what I mean And when you walk into the door its such a freaky scene Chorus All you ladies interested in the words I speak We will be rockin' like this every night of the week And all you fellows tell the ladies "Don't Stop the Rock" Because you know that we'll be jammin' all around the clock I went to a party and what did I see The girls were wearing leather skirts and see thru jeans I asked the deejay to tell me what was going on He said Freestyle's having a Freak-A-Thon Freestyle's kickin' in the house tonight Move your body from left to right To all you freaks, don't stop the rock A Freak-A-Thon Freestyle's kickin' in the house tonight Move your body from left to right To all you freaks, don't stop the rock A Freak-A-Thon There's a party in the house and we'll be rockin' tonight So bring your body with you baby and I'll make you feel right It's a freaky celebration of a natural kind And the pleasure you'll experience will blow your mind Freestyle's kickin' in the house tonight Move your body from left to right To all you freaks, don't stop the rock Will blow your mind Freestyle's kickin' in the house tonight Move your body from left to right And the pleasure you experience will blow your mind Chorus (2X)
