

Freezepop, Brainpower

I love it.

Had a good idea the other day
I'll start a new band
And we'll learn to play
Yeah, we'll be the best

If you're looking for our record at the mall
Well here's a tape,
And it will be called Brainpower

Brainpower
Brainpower
Brainpower
Brainpower
Brainpower
Brainpower
Brainpowererr

Did I mention, that I was drunk?
When I thought it up, I was kind of dumb
No, maybe not the best
It is not a good band name
Now I should have used that very same
Brainpower that I did mention before

Brainpower
Brainpower
Brainpower
Brainpower
Brainpower
Brainpowererr
Brainpower!
