

Freezerburn, I Hate Tourists

I...Hate...Tourists

Driving down route 28 i gotta hurry up fast or I'll be late.
Because I see a girl and she wants a ride
And she'll soon be sitting by my side
But the guy in front from Michagin is slowing down to let her in
With my gun I cant reach my load so i fucking run him
Off the road

Becuz i hate tourists tourists suck
Its only there daughters I wanna fuck
There isnt a tourist that I dont hate
So get the hell out of my state!
