

Freiheit, I'm So Sorry

Funny here I am where I was before
I said I'm leaving and I slammed the door
And standing in the rain
I get my ego down to size
And then I'm ready to apologize

I'm so sorry that I hurt you
I didn't mean to make you cry
But I never will desert you
So please accept my alibi

Funny how we act when we know we're wrong
We start a fight and turn the anger on
The saddest part of all
Is that we hurt the one we love
That's when the anger's getting strong enough

I'm so sorry that I hurt you
I didn't mean to make you cry
But I never will desert you

I'm so sorry that I hurt you
I didn't mean to make you cry
But I never will desert you
So please accept my alibi

I'm so sorry that I hurt you
I didn't mean to make you cry
But I never will desert you
So please accept my alibi
