

# Freiheit, When Lovers Cry

There was love that could have grown  
But someone took your dream away  
Gone for good, we'd spat forever  
Forever  
Ooh, when lovers cry  
There's no need to stay together  
Together  
Ooh, remember time is on your side

When lovers cry  
When lovers cry  
When lovers cry

Silver teardrops on the phone  
Torn up pictures on the floor  
And the night is sad and lonely  
So lonely  
Ooh, until the day when tears go by

When lovers cry  
When lovers cry  
When lovers cry

When lovers cry  
When lovers cry  
When lovers cry
