

French Montana, Wish U Well - ft. Swae Lee, Lojay

(Swae Lee)

Come tell me everything

If it bothers you, then it bothers me

Restore my trust, replace my faith

Don't bring my past up 'cause I was betrayed I need your love...lets dialogue Don't feel as much, I'm

'Til the right one comes (yeah)

I want your bum bum bum (yeah, yeah)

Can you feel my t-t-touch (hey)

My job is never done (yeah, yeah)

She only gave you hope, she let me take

She fell and said, "I'm making a big mistake"

My love and my touch

Up above, made with the warmth of my

My love and my touch

Up above, made with the warmth of my

(Lojay)

I wish you well I wish you well I wish you well I wish you (x4)

(French Montana)

(Montana!)

The top disappeared like Houdini

Gucci socks on, don't g me (?)

Tell 'em we got yachts if they fishin

Crib, 3 islands in the kitchen

Cool like the breeze in Jamaica

For your birthday, Imma get you an acre

She wanna strip tease in Tulum

Fucked on the beach, we ain't make it to the room

Shawty got me in a trance I'm tryna make it make sense

Counting pesos, Turks and Caicos

Shawty slide, tryna catch a vibe

My love and my touch

Up above, made with the warmth of my

My love and my touch

Up above, made with the warmth of my

(Lojay)

I wish you well I wish you well I wish you well I wish you (x4)

(French Montana)

I'm a let you go

In the midst I let you go

Understand me, I'm technical I never wish to let you go

I'm a let you go

In the midst I let you go

Understand me, I'm technical I never wish to let you go

My love and my touch

Up above, made with the warmth of my

My love and my touch

Up above, made with the warmth of my
