

# Frenzal Rhomb, Get Off

Get off  
Get off  
Don't skate  
Too late  
Walk straight

You are trying to protect your face  
Can you see that it is a disgrace  
disgrace  
you can't take us down

You can't take us down...

Get off  
Don't skate  
Too late  
Walk straight

You have lost respect you never gained  
Do we have to fight you to explain  
explain  
you can't take us down

You can't take us down...

Get off  
Don't skate  
Too late  
Walk straight

Get off
