

# Frenzal Rhomb, Phil

Can it be true?  
I'll leave it up to you  
That when you're straight  
You're always late  
Cause you only like me when you're stoned  
You only like me when you're off your face  
You only like me when you're stoned  
You only like me when you're off your face

Never make a sound  
When you're coming down  
Only satisfied  
When you're high

You can't be blamed  
For the stupid game  
So if you're all alone  
Just pack a cone
