

Frenzal Rhomb, Uncle Ken

I never liked your boat shoes or your white cotton slacks

And when you run for council
did you get a vote or did you get a push in the back
When someone finds you out
will you walk or will you get a kick in the sack

Build 'em high
Let's kick this guy

???
???
???
???

Build 'em high
Touch the sky

Because
Uncle Ken is not your friend

This ??? that's in my hand
I wouldn't leave it up, I wouldn't leave it up to you
???
Feel them up???
Touch the sky

Because
Uncle Ken is not your friend

Jesus
