

# Freya, Mr. Pete

Mr. Pete

Music: Freya / Rune Westberg

Lyrics: Freya

Mr. Pete he has a problem  
Cause he wants to be a woman  
He's into all shades of pink  
and any guy who'll buy him a drink  
People say he needs a shrink  
- well what do you think?

Mrs. Jones wants to be single  
A foxy flirt without a wrinkle  
She's sick and tired of Mr. Jones,  
(and) being married makes her look old  
She just wants to be alone

Yeah, that's all she wants to be, that's all she wants to be  
Well if it makes her happy that's all right with me

Billy wants to look like a junkie  
He thinks junkies look real funky  
He wants to be like Kurt Cobain,  
he wants to feel the world's all pain  
Sadly he's just not insane,  
- what a shame when

That's all he wants to be, that's all he wants to be  
Well if it makes him happy, that's all right with me

That's all they want to be, that's all they want to be  
Well if it makes them happy that's all right with me, yeah

That's all they want to be, that's all they want to be  
Well if it makes them happy that's all right with me, yeah

That's all they want to be, that's all they want to be  
Well if it makes them happy that's all right with me, yeah

That's all they want to be, that's all they want to be  
Well if it makes them happy that's all right with me, yeah

That's alright, it's alright baby, it's alright
