

Friends, I'd Love You To Want Me

Author & Composer : La Voie

When I saw you standing there

I about fell out my chair

And when you moved your mouth to speak

I felt the blood go to my feet

Now it took time for me to know

What you tried so not to show

Now something in my soul just cries

I see the want in your blue eyes

CHORUS

Baby, I'd love you to want me

The way that I want you

The way that it should be

Baby, you'd love me to want you

The way that I want to

If you'd only let it be

You told yourself years ago

You'd never let your feelings show

The obligation that you made

For the title that they gave

CHORUS

Now it took time for me to know
