

Friends, Mind Control

We got to get in this together
Soon they're ll be victims of the mind control
Your government can now control the weather
But now the love can get into your soul
Hooow, yet some thing feels old
Hooow your natural
Whoa, ...everyday, the truth is all...

It's all, it's all, it's all, it's all, ours, ours, ours
It's all, it's all, it's all, it's all, ours, ours, ours

It's on the edge of inspiration
Finally feels like we all are waking up
Stretch up, on the ground, bring...
Dance, you've been kept... long enough

...I can make my own laws
... Nobody owns this place, I can be my own god

It's all, it's all, it's all, it's all, ours, ours, ours
It's all, it's all, it's all, it's all, ours, ours, ours

... yeah, mind control every where,
Just try to keep your brain washed
... yeah, mind control every where,
Just try to keep your brain washed

I don't want the right to be rude, I just want the right to be cool
However I chose to do it, I do
Whatever I chose to be or whom
Hey I don't need your money, I can grow my own food
I don't need your beauty standard, I can be my own...
And I don't need your tuition, I can be my own school
I don't need your prescription, I can change my own rules

... yeah, mind control every where,
Just try to keep your brain washed
... yeah, mind control every where,
Just try to keep your brain washed.
