

Frodus, 6/99

We could disappear, in echoes.
We could disappear, in the lives of those we love.

I thought hope was lost. I tried not to look back.
Haunted by darkened thoughts, the void drew me closer.
Until we are brought back, by the lives of those we love.

Hope was lost,
I closed my eyes.

We could disappear in echoes.
We could disappear in echoes.
We could disappear. . .
We could disappear. . .
We could disappear, in the lives of those we love.

We could disappear, in the lives of those we love.
