

# From Autumn To Ashes, Take Her To The Music

"You break my heart into a thousand pieces and you say it's because I deserve better?"

[Joey, "Dawson's Creek" - Season 4 - "Promicide"]

Emotionless grey skies bleed somber dreams of sorrow

Blackened unseen heart tears a virgins godlike innocence from its pristine palace

Paint sarcastic smiles upon new wounds

Tears of misery stain scar filled minds

Hatred new like tomorrow flows from bitter memories

Purity now embraced by sinful ideals why

Lifeless tomb rests weary with prowling peering eyes

Silence falls upon deaf ears covered by night

Alone in thought, shaking

Biting tongues of lead at unfit moments

Screaming disbelief with no faith in site

(and her disgust has no borders, no limits to strive for, she bends and breaks to the rules set by the

She's finally seen she's a beautiful girl with a smile so grand she could stop the world

Stolen her skin he sews her mouth shut, means nothing to him, her screams just die out

As she cries out here voice dies out

As she cries out her voice dies out

Love once inside her heart, lay in my hands

Was it asked for?

Was it implied?

What could have been done?

Inside her mind dies.
