

# Front Line Assembly, Enchanted

lyrics written and sung by Kristy Thirsk

Prowling in the night  
Hiding 'neath my fright  
Manipulate my sight  
Thief  
Whenever you steal  
My punishment's real  
You gave me sorrow  
Invading my own value  
Parading my shy security  
While gripping my innocence  
Thief  
Whenever you steal  
My punishment's real  
You gave me sorrow
