

# Fu Manchu, Evil Eye

6 hours before  
with an evil grin  
better brace yourself  
straightaway or win  
Call power slide  
Separates them all  
Never touchin the brake  
...Unapproachable...

(chorus)

Evil eye has set his plan  
...Erasin' all...  
Evil eye has set his plan  
...Erasin' all...

Pushed through the floor  
Halfway through the turn  
As we ride up high  
The dirt starts to burn  
Wheels of his heap  
Hits the backstreet wall  
Evil eye has signaled  
..Unapproachable...

Evil eye has set his plan  
...Erasin' all...  
Evil eye has set his plan  
...Erasin' all...

Evil...eye...will fall
