Fu Manchu, Godzilla

With a purposeful grimace and a terrible sound He pulls the spitting high tension wires down Helpless people on a subway train Scream bug-eyed as he looks in on them He picks up a camero and he throws it back down As he wades through the buildings toward the center of town

Oh no, they say he's got to go go Godzilla Oh no, there goes Tokyo go go Godzilla

History shows again and again How nature points out the folly of men
