

# Fugazi, Five Corporations

moves so slowly  
grows so smoothly  
takes so neatly  
it's as if they  
belong and they've  
been here all along

grows so smoothly  
moves so slowly  
takes completely  
it's as if they  
belong and they've  
been here all along

this one's ours  
lets take another

check the math here  
check in ten years  
clusterfuck theory  
buy them up and  
shut them down  
then repeat  
in every town

every town will  
be the same

this one's ours  
let's take another

five corporations  
there is a pattern
