

# Fugazi, Give Me The Cure

i never thought too hard on dying before  
i never sucked on the dying  
i never licked the side of dying before  
and now i'm feeling the dying

you've got your hands over your ears  
you've got your mouth running on  
you've got your eyes looking for something that will never be found  
like a reason, good god i don't need a reason

i never thought too hard on dying before  
i never thought on the dying  
i never ever had the dying before  
and now i'm feeling the dying

and you've got to give me the shot  
give me the pill  
give me the cure  
now what you've done to my world

i never thought too hard on dying before  
i never thought on the dying  
i never walked the side of dying before  
and now i'm feeling the dying  
(it breaks it breaks it breaks, yeah)

under your skin  
cap over your eyes  
im at the tip of your finger  
(it breaks it breaks it breaks, yeah)

Tell me the reason  
give me the shot  
give me the pill  
give me the cure  
(it breaks it breaks it breaks)  
now what youve done to my world

Coming around,  
Coming around,  
Coming around,  
Coming DOWN

give me the shot  
give me the pill  
give me the cure  
now what you've done to my world

give me the shot  
now c'mon give me the pill  
give me the cure  
now what youve done to my world  
(repeat)  
GIVE ME THE SHOT
