Fugazi, Suggestion

Why can't I walk down a street free of suggestion? (repeat) Is my body my only trait in the eyes of men? (in the eyes of men)

I've got some skin You want to look in

She does nothing to deserve it He only wants to observe it We sit back like they taught us We keep quiet like they taught us

He just wants to prove it She does nothing to remove it We don't want anyone to mind us So we play the roles that they assigned us

She does nothing to conceal it He touches her 'cause he wants to feel it We blame her for being there But we are all guilty
