

Fun Factory, Turn It Up

Turn It Up
If you like what you're hearing
And you can't get enough of the bit
Turn It Up
Lean back to this hot track
Turn It Up
If you chilling in your vibe
Bass come on your dream
Turn It Up
Turn It Up

Let us explain!
Let us explain!

(rap)

Let us explain!
Let us explain!

Turn It Up
If you like what you're hearing
And you can't get enough of the bit
Turn It Up
Lean back to this hot track
Turn It Up
If you chilling in your vibe
Bass come on your dream
Turn It Up
Turn It Up

(rap 2)

Turn It Up
If you like what you're hearing
And you can't get enough of the bit
Turn It Up
Lean back to this hot track
Turn It Up
If you chilling in your vibe
Bass come on your dream
