She's a big freak
Going to be freak of the week
She's a disco rocking momma
at the disco's where you'll find her

She's a big freak

of the meaning of syncopation

She's a big freak
Meant to be freak of the week
Don't give her that one-groove groovalistic
that disco sadistic
That one beat up and down
it just won't do
Don't give her that forever and ever foreplay
she's not looking for the showplay
got to reach a point where she gets off

at the disco's where you'll find her
