

# Funkadelic, Friday Night, August 14th

Ah-ah-ah-ah-ah ah hey!  
Ah-ah-ah-ah-ah ah hey!  
Friday night, August the 14th  
Old lady luck smiled down on me  
My income tax return came through  
I put old 47  
I know that I probably should not  
Matter of fact I probably could not  
Buy all the good times meant for me

But then, Friday night, gonna be a memory  
You know that the whole wide world will remember me, yeah  
You find a little pussycat to come and see  
Then I close my eyes and I'm free??  
Yeah!  
I know that I probably should not  
Matter of fact I probably could not  
Buy all the good times meant for me  
Yeah!  
Yeah

Friday night, August the 14th

Friday night, August the 14th  
Friday night, August the 14th

Well I know that I probably should not  
Matter of fact I probably could not  
Buy all the good times meant for me
