Little Jack Horner  
Sittin' in a corner  
Snortin' his New York dope  
Pulled back a snort  
Went into a nod  
Wow  
was he a dope  
Loose booty  
He did the loose booty  
Junkie twist  
Nonsense  
Skin it back and monkey it

(repeat to end)  
Loose booty  
Loose butt

(sung over the loose booty chorus)

Loose booty

Super stupid  
Yeah, yeah, yeah  
Ohh, ohh  
Ooooh, ohhhh
