

# Funkadelic, That Was My Girl

If the girl displayed a smile  
that almost drove the fellas wild  
That was my girl  
(That was my girl)

If your composure  
sorta slips  
the moment that you saw her lips  
that was my girl  
(that was my girl)  
Unlike a deck of cards  
where there's 4 of a kind  
There's only one of her  
and she's all mine  
If the sight of her brightens your world  
Then it had to be nobody  
(had to be nobody)  
It had to be no one  
(had to be no one)  
It just had to be none other  
(had to be none other)  
My girl  
(my girl)

Knowing just how she acted  
into her I was attracted  
that was my girl

catch a look with my busy eyes  
as she was casually strolling by  
that was my girl

As rare as a mink with yellow fur  
You'll find one of them before you find one of her  
She's the only kind like her in the world  
Talkin' bout nobody  
(talkin' bout nobody)  
Said I'm speakin' of no one  
(speakin' of no one)  
I'm just rappin' 'bout nobody  
(rappin' 'bout nobody)  
But my girl  
(my girl)

Hey, hey, hey, hey, hey  
Talkin' 'bout my girl  
(whoo-hoo-hoo)  
Hey, hey, hey, hey, hey  
Talkin' 'bout my girl

If beautiful in recreation  
was not your imagination  
that was my girl  
(that was my girl)

You want the girl no need to try  
forget the girl I'll tell you why  
that was my girl  
(that was my girl)

As rare as a mink with yellow fur  
(whooo!)  
You'll find one of them before you find one of her

She's the only kind like her in the world  
(wooo)  
Talkin' 'bout nobody  
(talkin' 'bout nobody)  
Said I'm speakin' of no one  
(speakin' of no one)  
I'm just rappin' 'bout nobody  
(rappin' 'bout nobody)  
But my girl  
(my girl)

Hey, hey, hey, hey, hey  
Talkin' 'bout my girl  
Whoo-hooo-hooo my girl  
Hey, hey, hey, hey, hey  
Talkin' 'bout my girl  
Woo-hooo my girl
