

Fury In The Slaughterhouse, Romeo And Juliet

you don't need me
I don't know if I need you
you don't need me
there is nothing I can do
I don't think that there's
a place in your heart
for me these days
in any case

all we ever need
is everything we never had
and all we want to hear
is what is left unsaid
and all that we can do
is stare at the stars
and dream in your bed
of romeo and juliet

you don't love me
the way that I love you
you don't love me
I haven't got a clue
I don't think that there's a way
that you can make me stay today
