

# Future, Long Live The Pimp (feat. Trae Tha Truth)

Drinkin' on Texas, parkin' lot flexin'  
Bumpin' UGK, motherfucka  
Ridin' dirty with the K, motherfucka  
Underground AK, motherfucka  
Drinkin' on Texas, parkin' lot flexin'  
Bumping UGK, motherfucka  
Eatin' on shrimps, motherfucka  
Long live the pimp, motherfucka

Sippin' on Port Arthur, hangin' with you rocks  
Bad yellow bitch and her pussy taste like water  
Cash red Cadillac, deuce and a quarter  
Bumpin' uncle pimp, and my uncle Bun  
Niggas can't touch me like I'm Jay Prince son  
Water drippin' off me, shinin' like a star  
Grippin' on the wheel, Johnny Dale got me chilled  
Texas in my Sprite when I'm poppin' seal  
Drinkin' on mud, rockin' with the thugs  
Long live Chad, the dirty south love you  
I've come to get tippy, smokin', reminiscin'  
Underground king, you a legend in my memory

Tippin' on glass slippaz, pain on and deep as fuck  
UFC in my trunk, bet this gon' beat you up  
Everything movin' slow, still ain't no keepin' low  
Gator replace the seats, get your ass even up  
Chopper behind the seat, truth still undisputed  
Verse ain't the tryna trill, I won't talk with it because Suzanne  
Hang in on the diamonds, flexing  
Swinging over like I'm flexing  
Stuntin' on 'em like I'm birdman  
Make seven on it, whip the wrist  
Nothing on it, don't fetch attention  
Get your bitches, cold efficient  
Gonna kill it on competitions  
Sideline 'em, on suspension  
Young Bill, turned to stone  
Lil' Jim, Sweet Jane's Joe  
Bumpin' UGK and get your stomach full of stones
