

Future, Muphucka

They check my resume – bet they ain't stayin' silent
Check my favorite, Chanel and Fendi, all over my body
Ferrari seats ostrich, gorgeous, got that thing squattin'
Gotta keep that thing – I know these niggas clap
Got that extendo, on that tec, muphucka
Bought a car, got some rims for that muphucka
Copped the spot, put that glass in that muphucka
Just got a house, I paid cash for that muphucka

We crucial, got that cannon in this muphucka
You tripped up my cameraman in this muphucka
50-round banana clip on that AK
Nigga play, I'm goin' bananas in this muphucka
Ain't nothin' but bad bitches in my view, muphucka
That nigga tried that nigga's mind in that muphucka
That boy a mark, that boy Casino in this muphucka
FreeBandz, yeah, my whole gang in this muphucka
We can throw 20 racks on them hatin' suckers
I see you talkin' strong, but we got the muscles
Shooters on file, so I ain't gotta hustle
And I ain't gotta say shit, they just know to bust you

We in the station straight flexin' in this muphucka
Scooter, how you get that pound in this muphucka?
You know we got them pistols in this muphucka
I shoulda bought the kitchen in this muphucka
Cook so much dope my mama start bitchin'
Turned her Sunday kitchen to a fuckin' dope business
Black amigo niggas known for water whippin'
We bust them bails down and remix and pivot
Check my resume, I never told nothin'
Whoever your favorite rapper is, he ain't sold nothin'
Don't ride Bundts, throw some Forges on that muphucka
You wanna stretch it? Throw some water on that muphucka
