

# Future, No Charge

Yeah, super Future  
Yeah, see what I'm saying?

Drug dealers and strippers they in my entourage  
Drug dealers and strippers they in my entourage  
I'ma give them xans to you baby no charge  
Get that Perky to you no charge  
I give prescriptions to you no charge  
We gon' have fun baby, no charge, yeah

I look inside your eyes, I see the same things I'm going through  
Tryna take your heart away, you gotta be bulletproof  
Trapping Penny Hardaway's, I can take a screen or two  
All I do is gravitate and roll another pen for proof  
I get in the trenches for this paper each and every day  
I'm gon' make another hit and then go buy another Wraith  
Anytime you see me with some jewelry got it custom made  
Most the time you see me, I'm done coolin', bustin' down in Bape  
Drop top Spyder, that's in the entourage  
Travel places they look at you like an alien  
Started off my first check I bought some David Yurman  
Try to get the recipe to you no charge

Pyrex and the soda give you no charge  
Come like a bulldozer on the full charge  
Trappers and gamblers that's in my entourage  
Trappers and gamblers that's in my entourage  
I never did trade, never did one time  
Still posted on the corner ducking one time  
I know you still in your BM nigga time to time  
I know you still check your DMs from time to time
