

# Future, Please Tell Me

Please tell me one Rolex won't do  
Please tell me  
Yeah, yeah

Please tell me I can throw the sauce on ya  
Please tell me all the fuckin' bosses want ya  
Please tell me I can buy Chanel for you  
Please tell me one Rolex won't do

You know I hustle hard, ain't got no time  
If I'm with my boys, I'm with my Slimes  
If you play your cards, you gon' be fine  
I told you when I got it, it was mine

Shawty want big dog status  
Shawty want big boy carats  
Shawty rock big boy Pateks  
She ain't never had my status  
She ain't never seen it in person  
She was just thinking they had it  
She ain't never seen a real nigga  
She was just thinking you the one

Put you on a whole lotta game  
Put you on a whole lotta furs  
Put her in a big boy Range  
Put her on the big boy Sprite  
You know I got the drank out the mud  
You know I got the diamonds out the dirt  
Shawty got a white dress on  
So I gotta pat that down  
When a rich nigga text your phone  
Baby gotta screenshot now  
Went to sleep with all my jewelry on  
I bet you tryna take a peek now  
You can splurge all day long  
You fucking with a rich nigga now  
And all I really want  
Is for you to hold me down

Please tell me I can throw the sauce on ya  
Please tell me all the fuckin' bosses want ya  
Please tell me I can buy Chanel for you  
Please tell me one Rolex won't do

You know I hustle hard, ain't got no time  
If I'm with my boys, I'm with my Slimes  
If you play your cards, you gon' be fine  
I told you when I got it, it was mine

Please tell me that you do this often

If I buy you Hermès I'm being cautious  
If I buy you Birkin you getting saucy  
Chanel No. 9 yeah, drop one dime yeah

Because I'm buying it, yeah  
If I tell you that this smile is one of a kind

Please don't tell me you want it 'cause I'm buying it  
Please, please keep it exclusive like my diamonds  
Please, please keep it tight 'cause you the finest
