Future, Straight Up

Yeah, Yeah yeah yeah Freebandz Bought A Building Straight Up Aye,

Got the Gucci boots on like it's snowing, straight up
Big booty freak and she foreign, straight up
All My Whole Team We Very Important, Straight Up
Gotta put red on the bottom of your shoes, straight up
Got them racks on me, straight up
With a Gat on me, Straight up
I'm a spazz on you, straight up
Throw some cash on ya, straight up
Molly with the lean feel like you come from another planet, straight up
Every car I drive you know it gotta be Panamera

I fly like plane, and I ain't gone never land
I tie my strings, Cause I run to them bandz
I'm on a molly, don't fuck around with them xan's
Got the baby bottles, full of active and zan's
I'mma hot topic, I'm in popular demand
With a penthouse, but forget where I been staying
In a continental with this bad ass Dominican
Gotta cost over eighty racks for me to go sit in
I'm an astronaut, yes, yes, yes I am
I'm gone take these guap and cash out on a lamb
Buy some red bottems, Jimmy Choo be all you wearing
Fuck the dress code, nigga it ain't no comparing

I'm a go to Mars (then what?) And take the baddest broad This ain't no facuade She a natural porn star Emilio (what up?) Vanity, no pooch Show room floor We go to sleep in Gucci This ain't tricking off This how you kick it with a boss We blasting off (what?) Like a rocket what you thought? On another level, we put diamonds in our cross Keep that heavy metal Like a rock star so don't you cross From another planet Yeah, yeah, yes I am I got your baby mammy and she in love with who I am Riding panoramic, with the turbo boost She got red on her like she down with SUWOO
