

# Future, The Intro

Um, he came on the scene, he's already impacted the scene in a way where a lot of other artists are

Um, that drunken love song, was that your song that Beyoncé and Jay-Z did?

Cause I'm honest, I didn't, when you, they put you on the MTV -uh, what was it-,  
the top 10 best rappers, I don't know what the number was, I was like 'why is Future on that list?'

Is that, is that, I might've mistaken, I might've read it wrong.  
I might've seen a one before the five. Is that a fifteen-carat diamond ring?

[Tons of news reports layered]
