

# Future, The Way Things Going

Yeah, yeah, yeah, yeah, yeah  
Yeah, yeah, yeah  
Oh-oh, oh  
Oh-oh

The way things goin', nigga, might not see the backend  
The way things goin', gotta ride 'round with an FN  
The way things goin', only family matters  
The way things goin', made my whole crowd scatter  
The way things goin', get the money off top  
The way things goin', niggas made it off the block  
The way things goin', gotta pull up in that drop  
The way things goin', oh

The way things goin', oh (Yeah)  
The way things goin', oh, (Hey, gotta fill my cup)

Tom Ford, suit and dress, them handin' out my business  
Raised in the trenches, been in the trap since an infant  
Sold all my dope, now, my trap on a finish  
Pack came in the mail, I run through 'em in a minute  
Money went to my brain, ice done got in my skin  
Down as shit, you trappin' shit, I'm treatin' you like my twin  
'Rari with the wing on it, I spent like seven tens  
Shawty and them goin' seven-thirty every time they go spin  
I wouldn't mislead you, too caught up in my winds (I would just levae)  
Bullet-proof Trackhawk, had to geek out the engine  
Got it out the concrete, flyin' to other countries  
Bad bitch, poppin' outside, Gucci onesie

The way things goin', nigga, might not see the backend  
The way things goin', gotta ride 'round with an FN  
The way things goin', only family matters  
The way things goin', made my whole crowd scatter  
The way things goin', get the money off top  
The way things goin', niggas made it off the block  
The way things goin', gotta pull up in that drop  
The way things goin', oh

The way things goin', oh  
The way things goin', oh, (Gotta pull up foreign, you know what I'm sayin'?)

Mad rich, got it out the mud, it was ugly  
Average, I can't go back to havin' nothin'  
Savage, product of my environment, I'm hustlin'  
Karats, clarity gon' glisten when it's dirty  
Karats, they glisten when they dirty, keep a thirty  
Bulletproof Suburban, avoidin' all the worries  
The way I ball, I know for sure that every time my jersey breakin' the laws  
Wake up early morning, go serve it  
Take the time buildin' my crib like a pyramid (That's my crib)  
Reminisclin' where I come from, get money a religion  
You got smoke in the air, don't let it cloud your vision  
Some of my partners not here, I really do miss you  
Take the money and ball it up, and use it for tissues  
Sendin' gun powder out, resolving these issues  
And the way things goin' is very malicious  
It's another bloody summer inside of my city

Uh-uh, it's another bloody summer inside of my city  
Uh-uh, the way things goin' (The way things goin')
