

# Future, Transform

Comin' down flexin' in a Transformer  
I can take your bitch from ya then transform her  
I'm high as hell, I just popped a Transform  
Freeband Gang Nigga, We some Transformers  
Transform (transform), Transform (transform), Dirty fork shawty I'm a transform her  
Transform (transform), Transform (transform), Count a bunch of money then I transform

My cook up game crazy, my hustle game amazin'  
140 Days, dawg we trappin out the Days Inn  
Im sleepin' wit da woolie, I'm gettin' all my days in  
Paranoid servin' junkies still gettin' my plays in  
Drankin' out the seal, then I'm on a pill  
Diamonds on my watch, Diamonds in my ear  
"Forge" on the rims, European grills  
Mastermind the booth, then I made a Mill  
Baby u da truth, body of a goddess  
Head game universal, did you go to Howard?  
Marshmallow seats, paint yours sour  
Freeband Gang, yeah the world ours  
Working hard the iPad, Gucci is on my eyelids  
Transform a dough, open up, look what I did  
Perky Leaf ahmm, then I flex the muscle  
Shinin' on the haters, shittin' on the bustas  
Then I rent the booth, Batman coop  
Ain't trippin off a bitch, bitch comin' by da group  
Astronaut Status, Rock'n'Roll status  
My attitude stanky, I'm on another planet

Brick on my wrist, I made a coup to a trick  
I took that ho from that nigga, and I made her my bitch  
Gettin' lyrical signs, when I rock it I'm buyin'  
Go rock custom made Pluto gear, can't even find  
I turn the club to a zoo, I flip my money Kung-Fu  
I comin' down with the flu, I turn one into two  
I made a FOE to a team, when it bought my a Benz  
I'm a A1-Nigga, all we do is a trance  
Going back to the future, right to J.Fox, Nigga  
I put Kush in my lungs, had that "lean" on my level (Codeine)  
That bitch came to me, and he had to go get her  
And we workin' with Either, that's that Nas and Jigga
