Slowin up my motions like my diamonds backwards flipping
My nigga rolling strong, we some mothafuckin hippies
Got a hundred thousand soldiers I ain't mothafuckin slippin'
I can wear my ice anywhere without no supervision

Aye watch them watch how I dance
Watch it light up and gliss
Watch this chain how it shine
Watch it wink and it kiss
Watch the movie, yo, homie I see you watchin this shit
Watch me walk in the club
