

G-Eazy, Get Mine (ft. Snoop Dogg)

outta work
outta line
outta money
outta time
give a fuc* nigga I;ma get mine
Straight up out the gutter with the cake cutter in the _?_
And my nigga selling dope
Up out the liquor store
outta work
outta line
outta money
outta time

give a fuc* nigga I;ma get mine
Anything goes in the jungle
Dogg anything goes
See we can rumble
I might stumble
But I refuse to fall

outta work
outta line
Look I'm out of it all
My brod got my back
Won't allow me to fsall
My banker is telling me
He;s proud of us all
You rappers are broken
What's the problem with y'all
You're not original
There;s a thousand of y'all
