

G. LOVE & SPECIAL SAUCE, I-76

Katman:

65 25 Parkline Drive

And like always I'm kicking it live

Wanna call the fellas to see if they is with this

Gonna get down with the sounds of big breakfast

Start off the day with some Bob Marley

Back to the woods for that fresh parlay

Maybe even spark a little Nicki J.

And then it's off to center city in the fastest way

Cause if you've gotta get downtown real quick

Then the only way to go is I-76

Unless of course you wanna take that scenic view

Then East or West River Drive is right for you

But if you ain't got any time to lose

Put the pedal to the metal for that voyage cruise

And get on down to I-76

Because in 1996 there ain't no

Tricks in the mix

G. Love:

Back in 1982

Man it was real cool

and in school

If we got good grades

And straight up A's

Our parents would take us to a 76ers game

I got my game and there ain't no shame

Big shots for Mo Cheeks

And Moses Malone

Julius Erving called Philly his home

Bobby Jones, Daryl Dawkins

Andrew Toney sinking threes

Rocky Balboa comes from south Philly

But if you want to make it

On time to the show

There's only one road that you really have to know

So get to Fishtown without all that jive

I suggest that you drive on I-95

Wanna get downtown but feeling in a fix

Get on the road they call 676

The most expensive expansive
piece of interstate they ever made

The fellas ain't famous but

They got good game

Get along 76ers

Charles Barkley dissed Larry Bird

Get along 76ers

Charles Barkley dissed Larry Bird

Smiles:

Shh-Hoops the middle man

Now disguised as the Joy

Valentine Smiles to the Katman play

Loungin' leather seats 76 gettin' nice

Cadillac D.B.L. Kristopher pulled the heist

Expressway expression Soda Pop is pressin'
up another piece baby new year painted session

I'm guessin' the answer to the question

All the Philly Fellas livin' life as a profession

Destined to escape a la Spector

Ah Wilderness yea prep jetta boy

Friday night rap Broncos and Pepper Shakers

In the city Ice Dogs Love show I the skyscraper

The route man it's I-76

I'm loungin' Otto Shoup singin' Davey Quickness

Li Li of the Va Li love a ligum everyday

I'm givin' praise from High Hill Juice to Philly
Katman:
