

G. LOVE & SPECIAL SAUCE, Town To Town

I may had forgot that
But it seems I'm here to stay new
Town to town
Room to room
Room to move
Time to lose in my room
Or call to telephone my baby's house
She ain't never home
Ain't there ain't nowhere
She lets it ring
I keep thinking to home
Sick
Of thinking for home
I keep talking
Just for talking
Tired
Of talking it's the
Moon
Walking even he gets some...
