

# G. LOVE & SPECIAL SAUCE, Town To Town

I may had forgot that  
But it seems I'm here to stay new  
Town to town  
Room to room  
Room to move  
Time to lose in my room  
Or call to telephone my baby's house  
She ain't never home  
Ain't there ain't nowhere  
She lets it ring  
I keep thinking to home  
Sick  
Of thinking for home  
I keep talking  
Just for talking  
Tired  
Of talking it's the  
Moon  
Walking even he gets some...
