Victims of society neglect reject!

the ugly duckings of society.

I think we gotta live with more variety

neglection rejection is poverty

the infection or are we infectin em ad trainin em to think that

anything out of ordinary

is so scary?

damn are we the one that's scary?

Yeogin eodi-inga saram saneun sesang manna dodaechege nungil hanbeonjujil ana

yeogi jeogi dulleobwado geogiga geogi-inji yeogiga jeogi-inji
