G.Q., Disco Nights

Let the spirit flow all through your body Just lend us an ear Involve yourself You're free to follow And we'll take you there You said you want to reach the sky So get up The feeling's right And the music's tight On the disco nights Just say you will Just do what you feel I'm for real The music's full of joy and laughter And it's such a thrill To free your mind from all the pressure Head on up the hill

[repeat chorus]
