(Verse-Lloyd Banks)

Goddamn for what you aint gotta convince
you just sold 6 million records you aint gotta do this
i got a new toy that'll burn a hater
and put a red dot in his eye like the f**kin Terminator
now they boys all grown
i give nicknames to my bitches and my guns like Go-Run and Jawbone
im next in line the future of this rap shit
when i go, they'll be 100 shooters at my casket
ready to go and put the rugers to the basket
i pass thru these street niggas that use to get they ass kicked
man what kind of beef do they want
lil kids'll find ya body in the grass at the Easter Egg Hunt
every bid up out the rose comin outta the ziplock
for round niggas that dont give a f**k about hip hop
you can count me in if its fast cash, nigga im by my money
im flyin to Japan with a gas mask

(Chorus-50 Cent)

Go 'head nigga stunt, get shot the f**k up
G-unit nigga what, get shot the f**k up
Go 'head try ya luck, get shot the f**k up
Keep thinkin its a game, get shot the f**k up
Nigga go 'head act tough, get shot the f**k up
I'll pull out that tec, get shot the f**k up
Show some respect or get shot the f**k up
Go 'head call the cops, get shot the f**k up

(Verse-Young Buck)

my bullets go thru tefflon, open up ya chest bone nigga

we shootin at anybody even the wrong nigga
i pop these glocks knockin these cops on they back
it was only a traffic stop but i went for my strap
he shot once, i let off mine first
nothins worse than ya momma see you ridin in a Hersse
this 12 gauge'll knock a coward off his converse
have you wobblin and weepin screamin "help me Lord im hurt"
Banks bought me an AK for my birthday
like the Burger King commercial (you can have it your way)
dirty south till im dead but i love the east
so you would think im from Queens till you look at my teeth
and i got sumthin in my jeans that'll clear off the streets
shoot once and blow ya back out thru ya backseat
i signed with 50 just because a nigga love beef
may the best man win 'cause when i seem him we gonn' eat

(Chorus-50 Cent)

Go 'head nigga stunt, get shot the f**k up
G-unit nigga what, get shot the f**k up
Go 'head try ya luck, get shot the f**k up
Keep thinkin its a game, get shot the f**k up
Nigga go 'head act tough, get shot the f**k up
I'll pull out that tec, get shot the f**k up
Show some respect or get shot the f**k up
Go 'head call the cops, get shot the f**k up
