

# G3, Voodoo Child

(Jimi Hendrix)

Yeh I'm a voodoo child  
Lord I'm a voodoo child

On the night I was born Lord  
I swear the moon turned a fire red  
The night I was born  
I swear the moon turned a fire red  
Well my poor mother cried out well the gypsy was right  
And she fell down right there  
Well mountain lions found me there waiting  
And sent me off on a eagle's wing  
Mountain lions found me there waiting  
And sent me off on a eagle's wing an eagle's wing baby  
He took me past the outskirts of infinity  
And when we came back he gave me Venus to sing hey  
And he said fly on fly on cause I'm a  
voodoo child voodoo child  
Hey yeh

Well I make love to you  
And the Lord knows you feel no pain  
Said I make love to you in your sleep  
And Lord knows you felt no pain  
(yeh that's what I say)  
'cause I'm a million miles away  
And at the same time I'm in your picture frame  
(yeh that's what I say now)
