

Gabe Lopez, It's True

Cant you see that youre special?
Cant you see that you shine?
I dont know why you do like you do.
Why cant you be mine?

Sell far too often you do,
Youre far too good for them.

Chorus:
Its true,
Its true,
Its true,
Its true.

Cant you see that youre gifted?
Cant you see that youre blessed?
I dont understand why you aim so low,
When you are the best.

Tell me why do you settle,
Youre much too good for them.

Chorus

Why do you run when you get close?
So very special, but you dont know
