

# Gabin, Just Be Yourself

When you think you want to change your life  
Cause you cant stand it anymore  
Dont go looking for anyone  
Who will just tell you what to do

When you think youve made a big  
And theres hardly any escape  
Dont let this be an excuse  
You can start again anytime you want

Now you know, what you have to do  
And theres no one who can tell but you  
Now you know, who you really ate  
No one can teach you how to survive
