

Gabriel and Dresden, Let Go

I swear I dont know what time it is
But I know this means nothing much to me
I hear the voices ring in my head
And they keep tellin ...
Tellin me to let go
Let go
Tellin me to let go
Let go
It would be better that way
Let it go, let it go
(It could be better that way)
Let it go, let it go
(Its just better that way) [x2]
I hear the voices ring in my head
And they keep tellin...
Tellin me to let go
To let go [x4]
oh oh oh let it go
oh oh oh let it go [x2]
(It could be better that way)
Let it go, let it go
(It could be better that way)
Let it go, let it go
(Its just better that way)
