

Gabriel Rios, Stay

Underneath the rainbow
It shook upon the asphalt
And there was all to make us feel
Like coming out the bathroom
With all the furry animals
Coming out to bathe in gold

Never needed no body
Next to me
Never wanted no body
Next to me
But I'm seeing some body
And I want it to stay

Stay with me
Stay
Stay with me

If we are just an anthill and the sky is just an anvil
Then we should just give in
But you are all that heaven knows
And it wants you back
For its own

Never needed nobody
Next to me
Never wanted nobody
Next to me
But I wanted to stay
A little more

Stay
Stay with me
Stay
'Cuz I ain't made right
I ain't made right now
I ain't made right

Stay
Stay with me
Stay
Stay with me
